KUF/DFMA	Financial Management		10	8S+0+0	Zp,Zk	2

The student chooses 2 - 3 subjects according to his/her professional profile and in accordance with the focus of the dissertation. A condition for obtaining credit is the submission of a seminar paper for each compulsory and compulsory elective course. The examination is in the form of a commission. The committee is composed of at least two examiners. The examiners are approved by the chairman of the Study Committee on the proposal of the lecturers.

**C: additional study requirements (C)**

VAVE/DVKSA	Presentations at conferences, seminars		30	0+0+0	Zp	
VAVE/OVPA	Other scientific publications		40	0+0+0	Zp	
VAVE/PSJWA	Publication in scient. journals (WoS...)		60	0+0+0	Zp	

Credit for meeting the outcomes of individual courses is awarded by the chair of the OR. The ongoing fulfilment of individual outcomes is checked by the COR as part of the annual assessment. Students enrol in the courses no later than in the 4th year of study. Their completion is a condition for submitting an application for the state doctoral examination. In the event that a student obtains more credits from the sub-sections, the credits assigned to the course are included in the overall grade.
